#### **Our Solutions**

Event planning, promotion & execution Marketing & advertising campaigns Media management & broadcasting Corporate funding and sponsorships Community outreach

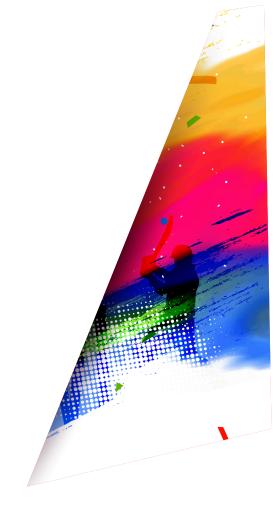

- A tape ball is a tennis ball artfully wrapped in an electrical tape which gives it greater weight, speed and distance. The game originally evolved from Karachi, Pakistan as an informal variant to the conventional cricket. It is mostly played on any hard surface and often on empty streets and parking lots by cricket enthusiasts of all ages.
- The game eventually became popular among South Asian youth however remained informal as compared to the conventional cricket. However, lots of famed cricket players actually started as tape ball stars before becoming professional cricketers.
- The game is typically played with 5-6 overs format, requiring only a bat and taped ball. It could be played on any hard surface. The ball modification gives it added speed and makes the entire game faster and exceptionally thrilling for players and spectators alike.
- The game has recently gained exceptional popularity among first and second generation immigrant South Asian youths residing in Europe, Australia and North America. In Canada it is widely played in GTA and other cities however since there are no formal grounds for this form of cricket, most end up playing in parking lots and baseball diamonds with makeshift surfaces.
- The game is super exciting and offers thrilling recreation for all.

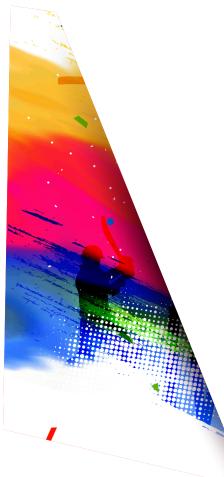

- The championship will be held on June 29 July 1st, 2024 at Brampton Sports Park (CAA Centre), Brampton. Quarter Finals, Semi-Finals and Final will be held on July 1st.
- There will be up to 36 teams expected to participate drawing over 400 players.
- The championship may be split into two divisions (professional and amateur) subject to entries received.
- The games will be played day and night on four grounds consecutively on professionally paved concrete pitches.
- The championship will draw some of the most competent teams and exceptional talents pursuing over \$30,000 in prizes and giveaways (this include trophies, cash prizes, color kits and much more).
- All teams will be provided with full color kits for every player.
- Event will be supervised by the carefully selected team of cricket professionals and qualified management team.
- The event will be extensively campaigned through newsprint, electronic and digital marketing, social media, community outreach and local cricket clubs.
- Tape ball cricket is a highly popular sports among large population of South Asian descent and thus expect to attract thousands of spectators and enthusiasts.
- To make event a further success a "Funtastic Family Fun Fest 2024" is being planned in conjunction, to draw families and kids. The festival will offer fun activities, vendor bazaar and food stalls.

# **Code of Conduct**

This is a high profile sporting event thus we request exemplary conduct from each person participating.

This is a family event, hence absolutely no vulgar behavior shall be tolerated. Please refrain from cussing as it just not reflect badly on one's self but also on the entire event and sports community.

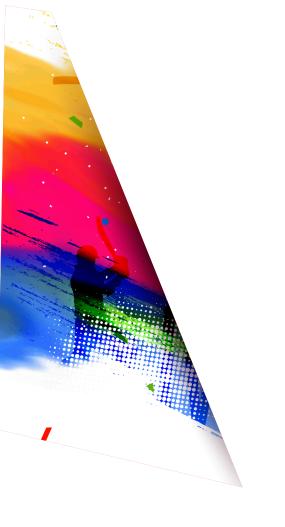

Game disputes do happen despite best efforts by officials. Please cooperate with match officials in rectifying the situation.

Any kind of threats, physical or non physical shall not be tolerated and will be directed to the local law enforcement. We would allow zero tolerance for any fights during or after the event, within the confines of the event and shall be directed to the local law enforcement. This type of behavior could result in a player or entire team disqualification from the event.

Not every decision shall be perceived as fair by opposing teams, however this is just a game and everyone involved should accept the final call as best judgment in the given circumstance.

The event shall be attended by high ranking government officials, politicians, sports figures, corporate personalities, community activists and folks from all walks of the society. Thus we need to behave and show the best of us.

Cricket is a game of gentlemen and we must strive to present it as such to pave way for greater acceptance and popularity among local community at large.
